EXPERIENCE

Clubhouse Coordinator
Boys and Girls Clubs of the Gila River Indian Community, March 2018 - Present, Laveen, AZ

- Writes policy and procedures prioritizing youth development in line with the organization's mission, vision, and values.
- Utilizes KidTrax management software for administrative tasks including registration and account management, fee collection, and data tracking.
- Develops and maintains safe, inclusive environments for the social, physical, and emotional well-being of participants.
- Manages, plans, and implements innovative programming and events for youth and teens ages 5-18, focusing on their educational, physical, artistic, and overall development.
- Oversees the department budget, including annual budget planning and monthly purchases.
- Creates partnerships with schools and community organizations to develop programs and events for youth and teens.
- Assists in recruiting, hiring, training, and supervising part-time staff and volunteers.
- Leads the development and logistics planning for both new and signature events, serving 500+ community members.
- Collaborates on event planning strategies, evaluating and implementing marketing strategies to promote events and programs.
- Specializes in technology maintenance and hardware support.
- Joined the Clubhouse Network in May 2021, focusing on learning by design, facilitating the adoption of new technology, and modern manufacturing for youth education such as 3D printing and laser cutting.

- Works with part-time staff to engage and organize weekly events and optimize programs.

Community Service Coordinator

AmeriCorps, April 2017 - March 2018, Laveen, AZ

- Assigned to the Boys and Girls Clubs of the Gila River Indian Community.
- Developed community relations, engaging elders and institutions to foster partnerships and support for the club.
- Reached out to various organizations and companies for support and collaboration.

Lead Cashier / Takeout Specialist

Chipotle Mexican Grill, 2012 - 2016, Mesa, AZ (Signal Butte and Dana Ranch Locations)

- Managed inventory and ensured proper supply throughout the day.
 - Ran the cash register and provided exceptional customer service.
 - Worked in prep and managed online orders.
 - Developed marketing strategies and built relationships with local businesses.
 - Set up small discounts to attract workers from nearby companies, boosting sales.
 - Interviewed and hired personnel, using the company's vision as a guiding principle.
-

EDUCATION

High School Graduate

Corona del Sol High School

- Graduated with 12 college credits
 - Received CHIP Scholarship for honor and integrity
 - Major in Education, 2011-2013
 - Completed 18 credits towards an Associate's Degree in Education (unfinished)
-

COMMUNITY ENGAGEMENT

SCi Facilitator

Social Centric Institute, 2018 - Present

- Worked with the founder to test and develop curriculum, creating different levels of conversation based on the reality of the population we are working with.
- Worked with students, teachers, and other professionals to explore concepts like equity and restorative justice.

Camp Counselor and Advisor

Aztec Town Leadership Camp, May 2010 - May 2013, Tempe, AZ

- Implemented curricula to raise awareness and understanding around subjects related to race, class, religion, gender, ability, and environmental disruption.
- Served in both Counselor and Advisor roles for high school and college students (ages 15+) from various cultural backgrounds.
- Worked alongside trained mental health professionals to unpack historic social and cultural systems with a focus on developing language around discourse.

Animator

Junior Youth Empowerment Program, May 2009 - October 2015, Tempe, AZ / Mesa, AZ

- Worked in a grassroots program focusing on developing skills in middle school-aged youth (12-15 years old).
 - Helped youth explore their impact on their communities through service projects, from cleaning initiatives to fundraising for families in need.
 - Encouraged youth to engage with local organizations, such as HOAs, to advocate for community improvements like building basketball courts.
 - Developed virtues like kindness, patience, generosity, justice, and tact, fostering stronger community liaisons.
