PRESENTATION INSTRUCTIONS

Position: Recreation Coordinator – Special Events

This supplemental assignment must be completed as part of the interview process. Selected applicants are required to submit all supplemental documents by email to mark.miller@queencreekaz.gov and mckinna.evans@queencreekaz.gov by **Monday, July 13, 2026 at noon (12:00 pm)**.

Part 1 – Executive Recommendation Presentation

The Town of Queen Creek Parks & Recreation Department is committed to providing high-quality events and programs that enhance quality of life, promote community engagement, and support the Town's strategic goals. Recreation Coordinators are responsible for planning, implementing, evaluating, and making recommendations regarding programs, events, budgets, staffing, and operational needs.

Scenario:

Town leadership has asked for an evaluation of Queen Creek's existing Spring Into QC event and the development of a recommendation for a meaningful enhancement or expansion. The proposed recommendation should improve the overall event experience while considering operational feasibility, staffing, budget, customer service, and community impact. Any assumptions made throughout this recommendation are identified as such due to limited event data.

While Spring Into QC attracts a large number of families, participation in activities beyond the free egg hunts is limited. Many attendees leave once the egg hunts conclude, resulting in lower engagement with vendors, attractions, and revenue-generating opportunities. This proposal should address the issues identified.

Prepare and present the following:

- Proposal Overview
- Operational Plan
- Staffing & Budget
- Final Recommendation

The presentation should be prepared in PowerPoint, Canva, Prezi, or another compatible presentation format. Candidates will have 10 minutes to present their recommendation, followed by up to 5 minutes of questions from the interview panel.

Candidates should be prepared to present as though they are addressing executive leadership and elected officials.

After you schedule your interview, you will receive a follow-up email with additional details regarding the interview location and process.

If you choose to withdraw from consideration or need to cancel your interview, please notify Human Resources at humanresources@queencreekaz.gov as soon as possible.

We look forward to meeting with you. Please feel reach out if you have any questions.

Sincerely,

Grace Pratt
Human Resources Analyst, Senior
